OVERVIEW

The Consolidated Sales Tax Return allows anyone who files South Carolina Sales Tax Returns for two or more locations to submit one prefilled file with information for multiple locations using MyDORWAY, our secure online tax portal. This saves time, increases accuracy, and minimizes the chances of lost, forgotten, or misfiled returns.

The only returns eligible to be submitted using the Consolidated Sales Tax Return on MyDORWAY are the ST-3, State Sales and Use Tax Return and ST-389, Schedule for Local Taxes. Instructions on how to access and complete the return are included in this document. Every Consolidated Sales Tax Return submission can only include information for one business (with multiple locations) and one period.

All Consolidated Sales Tax Return files must be completed using Microsoft Excel version 2007 and later or a similar program that allows you to open, edit, and save .xlsx files. A prefilled .xlsx template will be provided on MyDORWAY.

How to Apply

Any taxpayer who files South Carolina Sales Tax returns for two or more locations is eligible to use the Consolidated Sales Tax Return option after submitting an application to the SCDOR and receiving approval. To apply, complete the [Consolidated Sales Tax Return Participation Application \(ST-603\)](#) available at dor.sc.gov/forms. Email your completed form to ConsolidatedSalesTax@dor.sc.gov.

After we've processed your application, we will send you a confirmation email with your approval notice.

MyDORWAY Requirements

You must have a MyDORWAY account to submit Consolidated Sales Tax Returns. You must have *Owner* or *Tax Account Manager* account access to all Sales Tax accounts that will be included in your return. Find tutorials and instructions for creating an account and using MyDORWAY at dor.sc.gov/MyDORWAY.

MyDORWAY supports Google Chrome, Microsoft Edge 13.0 or higher, Mozilla Firefox 4.0 or higher, Opera 10 or higher, Safari 5.0 or higher, and Internet Explorer 9.0 or higher. For MyDORWAY to function properly:

- Cookies and JavaScript must be enabled
- Pop-up blocking must be disabled
- You must accept MyDORWAY as a trusted website on your computer

HOW TO COMPLETE AND UPLOAD A CONSOLIDATED SALES TAX RETURN

After you've created a MyDORWAY account, submitted your [ST-603 application](#), and received your participation approval email, follow these steps to access the return and complete the return template. Detailed information about properly formatting the tabs and understanding error codes is on pages 5-9.

Here's how to access the return:

1. Log into MyDORWAY at **MyDORWAY.dor.sc.gov**.
2. Under *I Want To*, select **File a Consolidated Sales Tax Return**.
3. Select the correct filing period from the dropdown box and click **Next**.
4. Download your blank, preformatted Microsoft Excel template by clicking **Download Return**. Save the file in an easily-accessible location on your computer, renaming it to include your business name followed by the period covered (for example, SCDORJan2020.xlsx). While you're completing the template, click **Save Draft** on MyDORWAY.
5. Each return template has four tabs with a required number of columns. Column A is prefilled on the first two tabs with the Retail License Numbers for each location.
 - **Tab 1 has five columns and is labeled Sales & Use.** In this tab you will report South Carolina Sales and Use Tax by providing gross proceeds, out of state purchases subject to Use Tax, any state deductions, and net taxable sales and purchases for each location.
 - **Tab 2 has nine columns and is labeled Local Taxes.** This tab will be prefilled with your county and municipality codes for each location. Add codes for any county or municipality where you make deliveries. Learn more on page 5. Report applicable Local Taxes on this tab for each of your locations, just like you would on the ST-389.
 - **Tab 3 has three columns and is labeled State Deductions.** In this tab you will report any South Carolina Sales and Use Tax Deductions claimed for each location using a four-digit Deduction Code listed on page 7.
 - **Tab 4 has three columns and is labeled Local Deductions.** In this tab you will report any Local Sales and Use Tax Deductions claimed for each location using a four-digit Deduction Code listed on page 7.

After you enter your information for the period in the template, make sure you have the exact number of columns required for each tab, as specified above. Do not use blank rows to separate data. Any data entered below a blank row will not be included in your upload. Detailed information on properly formatting tabs is on page 5. Save your completed file.

6. When you're ready to upload your file, return to MyDORWAY. If you're still on the Download Return screen, click **Next** to proceed to the Upload screen.
7. Click **Upload Return** and then click **Choose File**. Select the file, click **OK**, then click **Import**. As the file is uploading, MyDORWAY will validate the information in the file.
8. If your file contains errors, they will be displayed at this time. A complete list of error codes is available on page 8. Open your file in Microsoft Excel, fix each error, save the file, and attempt to upload it again. All errors must be fixed before the file will be accepted.
9. If your file does not have any errors, you will receive confirmation that your file has been uploaded successfully. The **Upload Summary** displays the number of returns filed and the total State Sales Tax and Local Tax due. Verify that the number of returns filed matches the number of locations you are filing for and click **Next** if it does. If the number of returns does not match the number of locations you are filing for, review your Excel file to ensure that there are no blank rows. If there are blank rows, the data beneath the first blank row was not uploaded with your file. Delete the blank rows, save the file, and click **Upload Return** again.
10. On the Review page, the table will provide a return summary, including the discount amount available for each location. To claim less than the available discount amount for any location, click the **Discount Override** box and enter the amount of discount you're claiming. When you're finished, click **Next**.

11. On the Summary screen, confirm the information provided is accurate and click **Submit**. Enter your password, which serves as your signature and click **OK**.
12. The Confirmation screen has your confirmation number. **Print** or write down your confirmation number for your records. Click **Pay** if you're ready to submit your payment. Click **OK** to return to your account overview screen.

Editing/Deleting Returns

You will have until 5:00 p.m. EST on the day you upload your consolidated return to delete or edit your file on MyDORWAY. After logging in to MyDORWAY, click **Submissions**, then click on your submitted file. On the next screen, under *I Want To*, click **Edit Submission** or **Delete Submission**. If you miss the edit/delete window, you must submit new returns or amend existing returns individually on MyDORWAY.

Do's and Do Not's to Avoid Common Errors

DO	Submit your files in .xlsx format only.
DO	Include your company name and the correct filing period in your file name.
DO	Verify that any error identified in a rejected file has been corrected before resubmitting the file.
DO	Ensure that your file upload has been accepted before closing MyDORWAY.
DO	Enter the Municipality Code of all locations in column C of the Local Tax tab for all locations. This includes locations without a Local Tax. For locations without a Local Tax, enter no values in the Local Tax columns (Columns D through I). This ensures you have accounted for all locations and deliveries.
DO	Include a line item on the Local Deductions tab for the County or Municipal Code of the location if a retail location is in a county without a Local Tax. Use the deduction code 4173 (Exempt Local Option Sales) and enter the full amount of net taxable sales from the location within the county without a Local Tax.
DO NOT	Include spaces, special characters, or unnecessary information in your file name.
DO NOT	Use special characters or report negative numbers within your file.
DO NOT	Enter more or fewer characters than the specified field length for a column.
DO NOT	Attempt to file any type of return other than the ST-3, State Sales and Use Tax Return using this process
DO NOT	Alter the file template in any way. This will result in your file being rejected by MyDORWAY.
DO NOT	Insert blank rows in between rows of data within your file. Any information contained below a blank row will not be reported to the SCDOR when the file is validated.
DO NOT	Leave the Municipality Code column blank for locations and deliveries taking place outside of a municipality. For sales and deliveries taking place outside of a municipality, enter the county's four-digit code in column C of the Local Tax tab.
